Fresh Heifer & Springer Exchange

Sale Report

Fresh Heifers \$1700-\$1400

Fresh Cows \$1675

Springers \$1100-\$1200

*Thank you to all the buyers, bidders,
consignors, Sherwood Staff, and
everyone that helped with this sale.*

Thursday April 25, 2019 11AM-1PM EST

The sale format will be an open outcry auction similar to a commodity or futures exchange. An open outcry auction is the name of a method of communication between traders on a stock exchange or futures exchange typically on a trading floor. It involves shouting and the use of hand signals to transfer information primarily about buy and sell orders. The part of the trading floor where this takes place is called a pit. An open outcry auction, bids and offers must be made out in the open market, giving all participants a chance to compete for the order with the best price. New bids or offers would be made if better than previous pricing for efficient price discovery. Since the development of the stock exchange in the 17th century in Amsterdam, open outcry was the main method used to communicate among traders. This started changing in the latter half of the 20th century, first through the use of telephone trading, and then starting in the 1980s with electronic trading systems. Now, In 2019 we have adapted this process to sell cattle.

How It Works

No internet bidding, Just old school pit trading, a black board, & telephones.

-At 11 AM Bidding begins ! You do not need to be present to bid, You can bid over the phone or leave your bids ahead of time with any member of the team or we can have you on the phone during the exchange. If you are at the sale you can call out your bids or tell one of the team and they will do it for you.

-All bids will be recorded on the board during a session and also can be found at www.kreegerdairy.com under the exchange tab.

-Each lot can be bid on multiple times and you can raise your bid once you have been out bid. Once a bid is placed on a lot it is the active high bid through the exchange until a higher bid is placed or at the exchange ends.

- At 1 PM bidding is done and the exchange is closed. The high bid on each lot will be the winning bid. If a bid is placed on any lot during the last 5 minutes of the auction then that particular lot will remain open and bidding can continue until no bids have been placed for 5 minutes.

-All cattle are housed on the sellers farms & sold in group lots, Delivery will occur after the sale upon completion of payment for the cattle.

-Price Updates on www.kreegerdairy.com during the exchange

Bidding & Sale Process

The Sale will be conducted in an open outcry auction format. You do not need to be present to bid, You can call or leave your bids ahead of time to any member of the team or we can have you on the phone during the exchange. The high bid at closing time will be the buyer of that lot.

All Lots sell with 100% Buyer satisfaction,

If you do not like them then you do not have to take them, however once they leave the sellers farm they are sold on an "As Is" basis with no warranty, expressed or implied. The Lots include all the animals listed, when loading if any animal is not 100% then she will be sorted off and not included in the lot, therefore the final number in each lot may be different.

Payment Terms

All cattle must be paid for in full before they are shipped.

Payment must be made in good check, wire transfer, or cash. Out of state buyers must have a letter of bank credit on file with the sale management prior to sale. The buyer will be invoiced for the full amount, If any difference after loading the balance will be refunded. On lots selling on a weight basis an estimated amount will be invoiced and adjustment made after they are weighed.

Trucking Details

Kreeger and Associates, LLC will assist with load outs and handle arrangements for the trucks if the buyer desires.

General Terms & Conditions

BIDS: The highest bidder will be the buyer. This is achieved when the floor bid is equal to the asking bid on the board. All bids will be accepted by the Board Manger. In case of a dispute the lot shall again be put up for advance bids and if there are none, the lot shall be sold to the person whom the Board Manger accepted the last bid. In case two or more claim the last bid, the Board Manger shall indicate the party whose bid he recognized and other claimants will be given the opportunity to increase their bid. In all disputes, the Board Mangers decision is final.

HEALTH WARRANTY: Proper health certificates will be provided when required any additional testing cost will be the responsibility of the buyer. The results of any future health test is not guaranteed. No animal is warranted to be free of Johnes or any other infectious disease. Dry cows have been dry-treated unless otherwise announced, handle them accordingly. For animals that travel outside of Michigan the buyer will be responsible for the legal importation of cattle into that state, please check prior to the sale.

ERRORS

The material printed in this catalog has been carefully edited. If any errors or omissions are discovered, they will be announced. Such announcements take precedence over printed material. This information is provided by the owners and DHIA Records and is believed to be correct, however, it is not guaranteed.

GENERAL

It is the intention of the owners and the sale management to represent and present these animals in their present condition, however No adjustments will be made after the animal's leave the sellers farm. Females announced as pregnant were found to be pregnant by a licensed veterinarian. No guarantee is made or implied that the pregnancy will go full term. Cattle that are sold with a natural service date are as accurate as possible, although they are not guaranteed to be exact. Kreeger and Associates, LLC nor the owners are not responsible for accidents.

Over the years we have been privileged to sell some great herds of cows and watch there springers grow in demand. The Daniels, The Dellars, Carl Bos, Nickleplate, & Others. This herd of cows was sold privately so they may not have the notoriety of some of the others but they will be the next sought after home bred springers. They are well cared for and have the genetics from the beautiful cows they called mother!
